

Why Not Stay?

We hope you had a fantastic visit with us in Hot Springs Village!

If you fell in love with the beauty and community spirit here, why not stay?

Hot Springs Village is a full-service, gated community offering an affordable cost of living, a mild climate, and low property taxes.

Nearly 25% of the 26,000-acre land area is dedicated to parks and greenbelts, forming the foundation of our environmentally conscious community. Residents take pride in their conservation efforts, which enhance their lifestyle, preserve natural beauty, and boost property values.

Real estate options are diverse—homes range from \$100,000 to over \$1 million, including golf-front, lake-front, mountain-view, and wooded homes.

Schedule a free real estate community tour or **meet with the Renaissance Homes team** to discuss building your dream home.

Renaissance Homes offers excellent floor plans, fixed-price construction, collaboration, top-quality materials, and dedicated customer service, bringing your vision to life.
